

# Arctic Clean

## For sub-freezing cleaning

Product Information Sheet

### Product Description

*Arctic Clean* was specifically formulated for cold surface cleaning applications such as outdoor toilet facilities and other surfaces where most cleaning solutions would freeze on contact such as freezers.

### Product Specifications

*Arctic Clean* may be diluted as follows:

- 32° and above 1 gallon *Arctic Clean* to 1 gallon water
- 10° to 32° 1 gallon *Arctic Clean* to 3 quarts water
- -10° to 10° 1 gallon *Arctic Clean* to 2 quarts water
- -10° to -20° 1 gallon *Arctic Clean* to 1 quart water
- below -30° Use *Arctic Clean* undiluted

### Benefits

- Is effective to -30° F
- Does not leave a residue
- Is biodegradable
- May be flushed down sewer

Directions: Apply to surface by cloth, sprayer, mop, or scrubber. It will remove dirt and grime from surfaces and will not leave a residue so no rinsing is required.

*Arctic Clean* is biodegradable and may be flushed down sewer. **READ MSDS BEFORE USING. DO NOT INGEST. KEEP OUT OF REACH OF CHILDREN. STORE IN COOL, DRY, COVERED PLACE AWAY FROM HEAT, FLAMES, AND SUNLIGHT.**
