

Bio Quest Environmental Floor Finish Stripper

(Concentrate)

Product Information Sheet

Product Description

BIO QUEST ENVIRONMENTAL FLOOR FINISH STRIPPER is a high-efficiency odorless stripping concentrate formulated for use where indoor air quality is important. Its safe, low volatile solvents attack the finish on the floor and not the occupants in the work area. BIO QUEST ENVIRONMENTAL FLOOR FINISH STRIPPER is ideal for use in hospitals, nursing homes, retail areas, lobbies, or anywhere odor can be offensive. It can be used on heavy build up and is safe on marble, terrazzo, vinyl, and vinyl composite tile. Low foaming and easy rinsed, BIO QUEST ENVIRONMENTAL FLOOR FINISH STRIPPER leaves no alkaline residue.

Benefits

- “Environmentally Friendly”
- Biodegradable, Non-polluting formula
- Contain no Ethylene Glycol Ethers or Ammonia
