

EcoSystem™

Glass & Multi-Surface Cleaner-1

Product Information Sheet

Product Description:

Ecosystem™ Glass & Multi-Surface Cleaner-1 is a revolutionary product that contains no solvents, no ammonia, no phosphates, or any harsh chemicals and is readily biodegradable. It has an excellent non-streaking performance that dries quickly so it is especially good for cleaning glass, Plexiglas®, Lexan mirrors®, metal, and other shiny surfaces. **Ecosystem™ Glass & Multi-Surface Cleaner-1**, when diluted 1 part product to 66 parts water, is designed to clean as a premium ready-to-use glass and multi-surface cleaner. **Ecosystem™ Glass & Multi-Surface Cleaner-1** is packaged with tamperproof dilution- controlled inserts and is ready for quick and easy connection to the **Ecosystem™** dispenser. **Ecosystem™ Glass & Multi-Surface Cleaner-1** has been formulated to meet Green Seal's GS-37 standard for green cleaning.

Benefits

- Formula meets Green Seal's GS-37 standard for green cleaners
- Readily biodegradable
- No VOC's
- Dries streak-free
- Contains no ammonia, alcohol, solvents, or harsh chemicals
- Can be used on multiple hard surfaces

Comments:

Plastic surfaces should be wiped with soft, lint free cloths or synthetic wipers. Paper towels can scratch plastic surfaces. Change wiper frequently to avoid streaking.

Packed: 64 Fl. Oz. Jugs (4 per case)
