## Advanced Liquid Odor Neutralizer/Stain Eliminator

Product Information Sheet

### Product Sheet

FRESHEN-UP PLUS is a revolutionary product formulated for use on all surfaces to remove odors and eliminate organic stains. FRESHEN-UP PLUS combines innovative odor neutralizing chemistry that immediately binds odor and stain producing molecules with well established biotechnology to rapidly degrade the bound molecules. FRESHEN-UP PLUS is effective in removing organic stains such as grass, chocolate, red wine, tomato sauce and steak sauce. FRESHEN-UP PLUS also contains a surfactant system with non-resoiling cleaning properties for carpet, upholstery and drapery applications. Use FRESHEN-UP PLUS in restrooms, garbage collection areas, fitness facilities, laundry rooms, day care centers, guest rooms, carpet, upholstery, draperies, and any where mal-odors and stains are a problem.
