

QUICK DRAIN

Biological Drain Opener/Maintainer

Product Information Sheet

Product Information Sheet

QUICK DRAIN is an environmentally friendly bio-formulation that digests and removes the organic accumulation, which causes slow and clogged drains. QUICK DRAIN contains natural active ingredients that will not harm pipes, plumbing, waste water systems or the environment. QUICK DRAIN offers a safe but thorough alternative to harsh chemical drain products that contain caustics or acids. Regular use of QUICK DRAIN will keep drain lines free flowing while reducing associated noxious odors.

Benefits

- Environmentally Friendly
- Contains no acids or solvents
- Opens and maintains drains naturally
- Biodegradable
- Eliminates obnoxious odors from drain lines

Product Specifications

Appearance:	Liquid
Color:	Green
Odor:	Lemon-lime
pH:	8.5-8.9
Microbes:	Spore based Bacillus strains (Salmonella, Shigella free)
Count:	>200 billion/gallon
Storage & Handling:	Store in a cool, dry, dark place. Keep lid on container when not in use. Keep out of reach of children. Shelf life: 2 years at 35° F-90° F

Comments: Read MSDS before using. For best results, apply during time when lowest flow is expected. Multiple applications may be required. Maintain drains weekly.
