

# SaniQuest

## Biological Restroom Cleaner

Product Information Sheet

### Product Description

SaniQuest is a ready to use environmentally friendly cleaner that leaves surfaces clean and fresh while degrading residual organic substances in sub-surfaces that cause odors. SaniQuest is a bio-formulation of surfactants, beneficial bacterial spores, a pleasant fragrance and an active ingredient that reduces the proliferation of undesirable pathogens. Use SaniQuest daily for superior cleaning of toilets, urinals, sinks, showers and other surfaces.
